### AEP's The Future is Now: Analyzing GHG Emissions in CEQA Documents

5.23.18 | Seminar

Venue: 201 California St, San Francisco, CA

Linda Klein will be speaking at AEP's upcoming conference titled "The Future is Now: Analyzing GHG Emissions in CEQA Documents". With California's GHG reduction efforts and analysis focused on the next two years, it is critical to look beyond 2020 and address the need for continued emission reductions.

This event will take place on May 23rd, 2018 in San Francisco, California.
