### Environmental Law Basics: Understanding CEQA

11.3.16 | Conference

Venue: BASF Conference Center, San Francisco, CA

Cox, Castle & Nicholson Partner Scott Birkey will be speaking at the San Francisco Bar Association's "Environmental Law Basics: Understanding CEQA".

Scott's presentation will cover the legislative history and formative case law behind the California Environmental Quality Act and give a glimpse into the background of the statute that shapes and regulates development in California.

This event will be held on November 3rd in San Francisco, CA at the BASF Conference Center.
