LA County Bar Association Real Property Section's The Emergence of Cannabis in California Real Estate

11.30.18

Venue: Los Angeles County Bar Association, Los Angeles, CA

Amir Sadr will be speaking at LACBA's "The Emergence of Cannabis in California Real Estate" seminar. This comprehensive program on California cannabis law will introduce you to the most relevant issues, including a contextual overview of legislative and industry trends, the contrast between federal, State and local law, ethical considerations for practitioners, and major issues faced by landlords and lenders seeking to serve the cannabis industry.

This event will take place on November 30, 2018 at the Los Angeles County Bar Association.
