Legal Issues Involving Property Rights and Land Development

1.19.10 | Conference
Venue: Las Vegas, Nevada

Ken Bley will participate as a speaker in this annual session which focuses on issues faced by builders and developers. The panelist who are nationally recognized land use attorneys will discuss the most challenging issues that can affect profitability and market share. Attendees will hear authoritative answers on everything from impact fees, zoning and environmental law to litigation trends and developments involving real estate and related matters.
