Sources of Equity: What's New in This Changing World

3.25.09 | Conference

Venue: Millennium Biltmore Hotel , Los Angeles, California

Mathew Wyman will participate as a panelist in the session "Sources of Equity: What's New in This Changing World."

The session will feature real estate professionals from the business and legal world explaining the new paradigm – where equity is coming from, how the process is different from before, joint venture hot buttons in this changing environment, what happens when the equity partner fails to perform, and the economics of equity deals in today's world.
