Tax Credit Housing Finance Virtual Conference

12/03/2020-12/04/2020 | Webinar

Topic: Mixed-Income and Mixed-Use Projects

Ofer Elitzur will speak at the upcoming Tax Credit Housing Finance Virtual Conference. He will be speaking on the topic of "Mixed-Income and Mixed-Use Projects". The session will discuss options for low-income housing tax credit properties, including the use of the average-income set-aside, mixing in market-rate apartments, and adding commercial property. This event will take place from December 3rd to December 4th, 2020.
