Homebuilder Confidence Continues to Grow This Year

2.17.23 | News
GlobeSt.com

Matt Wyman recently spoke with *GlobeSt.com* to discuss how builders are seeing sales improvements because pricing is dropping to offset interest rate hikes.

"I am cautiously optimistic that now that we are in a market reset phase similar to 2018, and now that the builders have found the market clearing price, they can look to transact on land acquisitions."
