### The Legality Of Mixed-Use Projects Continues To Evolve

8.21.17 | Article  
*Construction Today*

Paul Dubrasich authored a Construction Today article titled, "The Legality Of Mixed-Use Projects Continues To Evolve" on August 21, 2017. Paul touches on how mixed-use projects are becoming increasingly more common for both supply and demand. He also gives his top overriding legal themes to be considered when developing a mixed-use project.
